Farm Visit

All farms are subject to farm visits throughout the year by market management to verify their activity and farming practices.

1. Please attach or scan and e-mail copies of your Estimated Production Schedule for 2021

2. Please describe how you manage and build nutrients in your soil. Be specific with products/inputs used and the geographic location of their original source of production.

3. Please describe your system(s) or practices for managing pests.

4. What if any synthetic, chemical or organic pesticides, fungicides or herbicides do you use on your farm?

5. Please provide name, e-mail and phone numbers for all those selling for the farm at market. We suggest all sellers to spend some time on the farm so they have an understanding of what is sold and how it is grown. If this information changes throughout the seasons please call to update.

SELECTION

The Green Market is open to all Farmer and Plant Producers that meet the stated criteria.

ALL INTERESTED PARTICIPANTS MUST COMPLETE AND RETURN THE APPLICATION TO BE CONSIDERED FOR THE MARKET.

Farmers and growers will be notified by email if accepted or not. No farmer or plant producer should assume (including returning vendors) that they are accepted until the market manager contacts them. Should the market reach full capacity, accepted participants will be placed on a waiting list.

BOOTH REQUIREMENTS

All Vendors are responsible for providing their own displays, tables, umbrellas and canopies that meet PPC guidelines, as well as petty cash for customer change.

PPC guidelines are as follows: Freestanding 10' x 10' canopies are accepted, have tent weights, and or umbrellas with weighted stands. Vendors must keep a tidy and professional space. Banners, tablecloths and signage with prices are required. Each booth space is 10' x 10'. All vendors must keep area tidy and leave no vegetable matter or trash behind

(There is storage space available for full season weekly vendors with well-marked tents and tables. PPC Green Market takes no responsibility for items stored in PPC storage. All items must be cleared from market storage area on the last day of market season)

Hygiene and Safety Requirements: Green Market will adhere to CDC health and safety guidelines (www.CDC.gov). More specifically, vendors are required to wear a secure face covering, keep hand sanitizer available at their booth, clean all market materials before market, wear gloves when handling cash, use appropriate signage to keep customers from handling products unless they are purchasing, keep safe space and no vendors will be allowed to participate if they have signs of illness.
