SwimAtlanta Policies & Procedures- Piedmont (subject to change due to COVID 19 requirements)

1. Family members that are not registered for classes may NOT be in the pool during lessons. The pool opens at 10am. You must exit the pool and reenter through the park's entrance before getting in the pool. 2. We will run the classes in the rain as long as there is not lightening or thunder along with the rain. In the case of inclement weather and the pool is closed you will have the option of the following choices: 1. you will receive a credit that is good for the entire summer. You can use this as cash off your next set of classes or you can use this as cash off of the price of a private, 2. You can receive a refund for the day(s) of classes missed. **If we run the class these options are NOT available.** 3. A parent or guardian is required to be in the water for the Infant/Toddler class. This is the **ONLY** level that is parent participation. **All other classes parents will observe from a distance and not interact with the child during class.** 4. All registration must be done with a SwimAtlanta employee. 5. All class cancellations must be done before 48 hours prior to the start of the class. If you cancel after the 48 hour mark there is a \$20 cancellation fee. 6. All class schedules are done on a weekly basis the week before it starts. Schedules will be emailed out by the Thursday before the start date, at the latest. Class times will be based on the number of people who want each level. 7. Private lessons are scheduled around the classes. We focus on the classes so private lessons are not guaranteed. If our schedule is full with classes we will not schedule privates for that week/session. 8. If you are the sole registrant in a class you will be offered the following options: 1. Move to another time with other children, 2. Look at other dates, 3. Cancel the class, 4. Have a shortened class with only your student. (10 minutes will be taken off the total time, no price change is needed) 9. Students do not automatically move up to the next level every session. Promotion to an advanced level is awarded once all the skills are mastered for the current level. It is customary for students to continue in a particular level for multiple sessions. All students learn at a different pace. 10. For all classes a swim suit and towel are required. Goggles are recommended but not required. 11. Skill knowledge and performance are evaluated on the first day to ensure all students are properly placed. If the instructor recommends different placement please handle that with SwimAtlanta immediately in order to secure your spot. 12. Non-Potty trained children must follow the facilities rules for this matter (3 layers must be worn). 13. If you miss a class due to illness, with a doctor's note we will write you a full credit to be used as cash off your next session. 14. If you know you are missing a class when you register before the classes start we will prorate the class price.
