Piedmont Park Conservancy Venue Rentals & Special Events

Thank you for your interest in hosting an event with us at the Piedmont Park Conservancy!

We would be thrilled to be a part of your special occasion. With four distinct and historic venues throughout the park, we can accommodate group sizes of 20-2500. From networking events to educational seminars, or formal receptions to company picnics, Piedmont Park is an impressive backdrop for any occasion. The Piedmont Park Conservancy was established to restore and maintain this beautiful and historic Atlanta centerpiece. All venue rental proceeds go back into the upkeep and growth of park lands and amenities.

The following pages detail general pricing information, beverage details, and approved caterers. Please let our team know how we can make your event special and seamless.

We look forward to working with you, and thank you for supporting your park!
